Professional Experience

IT Networking | (Summer 2016-2017)
Mindshift – Rochester, NY

- Utilized networking hardware to supply Rochester schools with fully functional technology.
- Developed experience working with a team on a daily basis.
- Available for the clients every day to address any concerns.

Education

Bachelor of Science, Information Technology (Graduated August 2018)
Rochester Institute of Technology – Rochester, NY

Game Design and Development Minor (Graduated August 2018)
Rochester Institute of Technology – Rochester, NY

Team Building Experience

Chef's Assistant | (Nov 2013 – Aug 2016)
Birchwood Restaurant and Catering – Monroe, NY

Created convenient working environment by preparing food for the chef in the kitchen. Made sure all required food and materials were clean and ready at all times. Provided accuracy and precision when requested to help make specific recipes for the customer.

Custodian | (May 2015 – Aug 2015)
Monroe-Woodbury Central School District – Monroe, NY

Worked as a team to provide a clean and safe environment for high school students. Learned from the experienced employees how to clean properly and how to make sure that the environment will be safe for the students when they return to school for the fall.
